

THE GROVES HOSPITAL VOLUNTEER ASSOCIATION is accepting applications for **POSITIONS ON ITS BOARD OF DIRECTORS** through Friday, September 21, 2018. Of particular interest to the Board are candidates with expertise in the areas of business development, human resources, communications, leadership and management.

The Volunteer Association is an incorporated not-for-profit with an exceptional track record in raising funds for Groves Memorial Community Hospital (\$3.2M to date) and in contributing volunteer time (approximately 275 volunteers dedicate 36,000 hours to the hospital annually). This is the Association's 85th anniversary year, and a time of great opportunity for the Association to contribute to the new Groves hospital and to our community in traditional and new ways.

The Board of Directors meets monthly, September through June, on the second Wednesday of each month at 7 p.m. Directors typically hold a portfolio in an area of their expertise, and may lead initiatives and oversee committee work in support of the Association's activities. Ours is a working Board, and a certain but reasonable commitment of time is required of Directors. Board members serve for a two-year renewable term of office.

Candidates will be selected for interviews based on the relevance of their skills and experience to the Board's current needs. New Board members typically begin their duties after the Annual General Meeting, this year to be held on October 15.

To apply, please send a copy of your current CV with a cover letter describing your interest and motivation in serving on the GHVA Board by September 21, 2018, to:
